SOG Combines Cash and Cutlery with the Cash Card Pocket Knife

Lynnwood, WA. - SOG® Specialty Knives and Tools has announced the release of one of the most minimal and functional mini folders there is. The SOG Cash Card is simple, light, and compact - boasting a durable blade in a slim profile that easily conceals. Slide it inside your pocket or use it as a money clip, and it will ensure that you have everything you need to survive in the modern world.

The thin frame is durable, thanks to the full-metal, stainless steel construction, allowing for years of abuse. The skeletonized structure keeps both weight and bulk to a minimum even with the solid liner lock mechanism and 2.75-inch 8Cr13MoV stainless steel blade.

Despite the small size, the Cash Card can still give you maximum versatility as a go-to pocketknife.

With its easy one-handed opening and time-tested liner lock system, this is the perfect solution for a minimalist's daily carry needs.

"SOG provides knives, tools and lighting solutions, tailored to our customers' needs," said Vice President of Sales and Marketing, Nando Zucchi. "We take pride in delivering top-quality and innovative products while meeting the demands of a variety of individuals. The Cash Card not only addressed the need for something small and concealable, but also serves as a multi-functional tool that our users can rely on every day."

The Cash Card's blade has a clip point shape, and once folded measures a compact 3.4-inches, and weighs a mere 2.0 ounces.

Available now, the Cash Card is the perfect holiday gift for anyone!
